**M/s Porel Dass Water & Effluent
Control Private Limited**
Vs.
The State of West Bengal and Ors.

(Through Video Conference)

Mr. Bhudeb Bhattacharyya, Senior Advocate
Mr. Sugata Sankar Ray
... For the Petitioner.

Mr. Achintya Kr. Banerjee
Mr. Tarun Chatterjee
Mr. Soumen Chatterjee
Ms. Indumouli Banerjee
... For the Respondent Nos.2 to 6.

Supplementary affidavit filed on behalf of the
petitioner is taken on record.

The petitioner is aggrieved by alleged non-
response to a representation made by the petitioner to
take steps under a particular contract awarded to him
for setting up new drinking water system at Santaldih
Thermal Power Station Township. The petitioner
complains that he could not complete the work contract
or take steps therein due to acts and omission of the
respondents.

Counsel for the respondents vehemently denies
the same and submits that as many as five extensions
have been granted to the writ petitioner with liquidated
damages in some cases.

This Court is of the view that the disputes between the parties is purely in the realm of private contract. There are large number of disputed questions of fact that would arise in deciding the rights and interest of the respective parties. The Writ Court is not the forum for the same. The parties may avail appropriate dispute settlement measures either agreed upon or as may be available in law.

Hence, the writ petition is disposed of without any orders.

In view of the disposal of the main writ petition, connected applications, if any, shall stand dismissed.

There shall be no order as to costs.

All parties shall act on the server copy of this order duly downloaded from the official website of this Court.
