Smt. Kalyani Saha
Vs.
CESC Limited and others

Mr. Debanjan Mukherjee
...for the CESC Limited.

None appears for the petitioner.

Learned counsel for the CESC Limited submits on instruction that the writ petition had been preferred for getting a new electricity connection which has already been given in the meantime.

Hence, the cause involved herein has been rendered infructuous.

Accordingly WPA 11760 of 2010 is dismissed as infructuous without any order as to costs.

Urgent photostat copies of this order, if applied for, be given to the parties upon compliance of all requisite formalities.
