Mr. Manas Kr. Das, Advocate

... .. For the Petitioner

Mr. Arijit Ganguly, Advocate

Mr. Sujan Chatterjee, Advocate

... ..For the State

Petitioner seeks anticipatory bail.

Learned Advocate appearing for the petitioner submits that since the police filed charge-sheet custodial interrogation of the petitioner is not required.

The incident arose out of grudge.

Learned Advocate appearing for the State draws the attention to the injury report of the victims. He submits that one of the injured suffered grievous hurt.

Considering the fact that police filed charge-sheet and considering the fact that two other co-accuseds although, not standing in the same footing with that of the petitioner were granted anticipatory bail by the jurisdictional Court, we are inclined to grant anticipatory bail to the petitioner.

Accordingly, we direct that in the event of arrest the petitioner shall be released on bail upon furnishing a bond of Rs.10,000/- (Rupees Ten Thousand Only), with two sureties of like amount each, to the satisfaction of the arresting officer and also be subject to the conditions as laid down under Section 438(2) of the Code of Criminal Procedure, 1973 and on

condition that the petitioner shall appear on every date before the jurisdictional Court on and from the date fixed for appearance of the accused and in default the jurisdictional Court will pass appropriate order to secure the presence of the petitioner in Court including cancelling the anticipatory bail granted without further reference to this Court.

Prayer for anticipatory bail of the petitioner is allowed.

CRM (A) 3288 of 2022 is disposed of.
