....petitioners.

Mr. Jayanta Narayan Chatterjee
Ms. Pritha Sinha

...for the petitioners.

Mr. Antarikhya Basu

...for the State.

Petitioners pray for anticipatory bail.

Learned Advocate appearing for the petitioners submits that the petitioners were falsely implicated. He submits that the petitioners were not named in the First Information Report. The petitioners were sought to be incorporated in the supplementary charge sheet.

Learned Advocate appearing for the State submits that the huge quantity of contaminated and adulterated mustard oil were seized. He submits that from the spot two persons were arrested. Those two persons named the persons who are the owners of the seized articles. He refers to the forensic report. He submits that the mustard oil was found to be substandard and unsafe. The

petitioners stand implicated.

There is a forensic report stating that the mustard oil seized was unsafe and substandard. The involvement of the petitioners appears from the materials in the case diary.

Considering the gravity of the offence and the involvement of the petitioners therein as transpiring from the materials in the case diary, we are unable to grant anticipatory bail to any of the petitioners.

Accordingly, the prayer for anticipatory bail of the petitioners is rejected.

C.R.M. (A) 3346 of 2022 is dismissed.
