WPA 15928 of 2022

Macarav Infrastructures India Private Limited &

Anr.

-Vs-

State of West Bengal & Ors.

Mr. Debraj Sahu,
Mr. Snehashis Sen,
Mr. A. Banerjee

... for the petitioners

Mr. Nilotpal Chatterjee,
Mr. Prantik Garai,

... for the State

The petitioners are aggrieved by disqualification dated 27th June, 2022 in relation to the bid put in by the petitioners pursuant to a notice inviting tender for Conservation and Restoration of Gouripur House at Kalimpong.

Learned counsel appearing for the petitioners submits that the condition of the tender for furnishing Solvency Certificate on or after 1st March, 2022 by the bidders was not complied with by the private respondent. However, the private respondent was selected as a successful bidder.

After hearing counsel, it appears that the petitioners made a representation before the tendering authority on 29th June, 2022, that is two days after the

disqualification of the petitioners. The respondent authority has, however, not responded to the said representation.

Counsel appearing for the petitioners also submits that the second representation was made before the tendering authority on 14th July, 2022, although this representation does not form part of the record.

WPA 15928 of 2022 is disposed of with a direction on the respondent no. 2 being the Superintending Engineer, North Bengal Construction Circle-II, Public Works Directorate to dispose of two representations made by the petitioners within 10 days from date. A copy of the response with reasons shall be made available to the petitioners within three days from the date on which the representations are disposed of.
