Petitioner prays for anticipatory bail.

Learned advocate appearing for the petitioner submits that, the police complaint was lodged as a counter-blast to the earlier police complaint. There was a transaction relating to furniture.

Learned advocate appearing for the State draws the attention of the Court to the materials in the case diary.

The disputes emanate out of a transaction relating to sale of furniture. There is a previous police complaint involved. Element of civil disputes are present between the private parties.

In such circumstances, we grant anticipatory bail to the petitioner.

Accordingly, we direct that in the event of arrest the petitioner shall be released on bail upon furnishing a bond of Rs.10,000/-, with two sureties of like amount each, to the satisfaction of the arresting officer and also be subject to the conditions as laid down under Section 438(2) of the Code of Criminal Procedure, 1973 and on further condition that the petitioner shall meet the Investigating Officer as and when called for till the conclusion of the investigation and on condition that the petitioner shall appear on every date before the jurisdictional Court on and from the date fixed for appearance of the accused and in default the jurisdictional Court will pass appropriate order to secure the presence of the petitioner in Court including cancelling the anticipatory bail granted without further reference to this Court.
