The matter is a stale case of 2009 which has been filed on 28th July, 2022. It is not that this matter was pending for some time in this court, it is a new matter.

The petitioner submits that he has come across a document, being Annexure P-15, which does not bear the signature of any person or any authority.

Hence it cannot be accepted by this court as an official document.

Therefore, this writ application is dismissed.
