... ...For the State

Petitioners seek anticipatory bail.

Learned Advocate appearing for the petitioners submits that the police filed charge-sheet without the provisions of the Explosive Substances Act.

Learned Advocate appearing for the State submits that the forensic examination report was obtained subsequent to the filing of the charge-sheet and that the police would be filing a supplementary charge-sheet incorporating the provisions of the Explosive Substances Act. He submits that the petitioners are named in the first information report.

The petitioners are involved in the setting house of the complainant on fire and hurling explosive substance as appearing from the materials in the case diary.

In view of the gravity of the offence and the involvement of the petitioners therein as transpiring from the materials in the case diary, we are unable to grant anticipatory bail to the petitioners.

Prayer for anticipatory bail of the petitioner is rejected.

CRM (A) 3698 of 2022 is dismissed.
