... for the State

None of the Counsel for the parties are ready in the matter.

The Court has to speculate on what the petitioner prays for and the defence of the State.

It appears from the material before the Court that the petitioner seeks a direction on the State Public Information Officer to furnish the information applied for under The Right to Information Act, 2005 on 19th May, 2022. According to the petitioner, the State Public Information Officer has not furnished the information relating to the queries given in the said letter.

The State is represented.

WPA 17718 of 2022 is accordingly disposed of with a direction on the respondent no. 3 being the State Public Information Officer and Deputy Director of Social

Welfare Department, West Bengal, to furnish the information as applied for, within a period of one week from date, as submitted by learned counsel appearing for the State.
