Mani Sankar Biswas
Vs.
The State of W. B. & Ors.

Mr. Madhu Sudan Saha Ray
.....For the Petitioner
Mr. Prabir Majumder
Mr. Timir Baran Saha
Mr. S. Majumder
.....For the School

The President of the Managing Committee of the school is present in person. He has prayed unconditional apology for not issuing the no-objection certificate and has submitted that it has already been issued to the petitioner on 23rd April, 2022.

After hearing the President and considering his submission, I am not passing any adverse order against him.

As the petitioner has received the no-objection certificate, there is no further point for adjudication in this writ application and the writ application is disposed of.
