Dipak Biswas
Vs.
State of West Bengal & Ors.

Mr. Ujjal Ray.
... for the petitioner

Dr. Sutanu Kumar Patra,
Ms. Supriya Dubey.
... for the SSC

Ms. Koyeli Bhattacharya.
... for the WBBSE

Mr. Supriyo Chattopadhyay,
Mr. Suman Dey.
... for the State

The matter has come to an end peacefully.

The petitioner has got no objection
certificate uploaded in the portal namely
“Utsashree” and the District Inspector of Schools
transferred the application to the School Service
Commission where it is resting in peace!

I direct the School Service Commission to
take a decision in respect of transfer of the
petitioner within a period of ten days from date
and to transfer him to any of the schools he has
selected in “Utsashree” if he is eligible for
transfer otherwise.

Learned Advocate for the President of the
Managing Committee of the School and the
teacher-in-charge of the school has earnestly
prayed before this Court not to pass any adverse

order as they may have committed some mistakes knowingly or unknowingly and this Court's directions for removing them through the School Education Department may be reconsidered. I reconsider the prayer along with his clients, teacher-in-charge and the president. However, I recall that part of my order dated 16th March, 2022 where I directed the School Education Department, Government of West Bengal to remove the President of the Managing Committee and the teacher-in-charge of the school forthwith for violating the rule laid down by the State of West Bengal (which was named in the said order). I do not have the belief upon the teacher-in-charge and the President of the School Managing Committee that they will change after this and I feel that they would continue such misdeeds.

With the above observation and direction, this matter is disposed of with the further direction that the school will also take all steps for transferring the person within a period of ten days from the date of this order.
