C.R.R.3033 of 2009

In Re: An application under Section 482 of the Code of Criminal Procedure;

Debangshu Malik
Versus
Sova Rani Malik nee Jana and another

The revisional application was preferred against the judgment and order dated 15th July, 2008 passed by the learned Judicial Magistrate, Dantan at Paschim Midnapore in connection with M.R. Case No.308 of 2005 corresponding to T.R. Case No.192 of 2009.

The grievance of the present petitioner is in respect of amount of maintenance awarded which was aggregated to a sum of Rs.1500/- per month (Rs.900/- per month to the wife and Rs.600/- per month to the minor son). By the same order, the learned court was also pleased to award a sum of Rs.1500/- towards litigation cost.

Having regard to the subject matter of the revisional application and the assessment by way of which the learned Judicial Magistrate awarded maintenance, I am of the view that no interference is called for regarding the finding. Further, the quantum so awarded was by taking into account the cost expenses of the period between 2005 to 2009. With the passage of time, the cost index has completely changed. Accordingly, no interference is called for in respect of the award granted by the learned Judicial Magistrate. Thus, no interference is called for.

Accordingly, CRR 3033 of 2009 is dismissed.

Pending application, if any, is consequently disposed of.

Interim order, if any, is consequently vacated.

All parties shall act on the server copy of this order duly downloaded from the official website of this Court.
