Report is placed on record. Almirah was opened but no articles have been found.

It is contended though some 'streedhan' articles have been recovered, valuable ornaments are yet to be recovered.

We note opposite party no. 2 has cooperated with investigation and handed over various articles which were lying in his custody.

In view of the aforesaid and as opposite party no. 2 has substantially complied with the conditions imposed upon him, we do not find any reason to cancel his bail.

CRM 9176 of 2018 is accordingly, disposed of.
