We have considered the materials on record. It is contended there is no direct evidence connecting the petitioner with the murder.

Bail prayer of the petitioner was rejected earlier in December, 2022. This Court had directed the trial to be concluded at an early date preferably within one year from the date of rejection of bail, as aforesaid. Time for conclusion of trial so stipulated has not expired as yet.

Under such circumstances, we are not inclined to examine the bail prayer of the petitioner on merits.

The application for bail is, thus, rejected.
