Mr. Subhashis Saha, Adv.

... for the respondent

The learned Counsel for the respondent has submitted that the sole appellant has died between July, 2022 and 16th August, 2022.

Having regard to the fact that since the sole appellant in the matrimonial proceeding has died, right to sue does not survive and the appeal stands dismissed as abated.

The supplementary affidavit and affidavit of service filed in Court are taken on record.

We also record that the parties are issueless.
