...for the State

Affidavit of service filed in Court today is taken  
on record.

The petitioner's son went missing at the age of  
24 years in the year 2019. Continuous and repeated  
efforts were made by the State police and the CID,  
West Bengal to trace out the missing son of the  
petitioner. The petitioner has also filed proceedings  
seeking writ of habeas corpus. The results of further  
investigation have not been very fruitful.

It is also evident from the records and the  
submissions of the State that the Interpol has also  
been contacted by the CID, West Bengal. All possible  
efforts, including publishing of the missing boy's  
picture in the media, have been made at the instance  
of the State police.

In that view of the matter, this Court is of the view that the matter may now be entrusted to the CBI.

The CBI may take up efforts from their own end to trace out the missing boy.

The CID, West Bengal and the State police shall transfer all materials and evidence in connection with the FIR to the CBI.

This Court has found that the State police machinery has taken all possible steps and has put in serious efforts to trace out the missing boy.

With the aforesaid observations, the instant writ petition shall stand disposed of.

There shall be no order as to costs.

All parties shall act on the server copy of this order duly downloaded from the official website of this Court.
