....for the State

The victim is yet to be recovered.

There are materials in the case diary implicating the petitioners in the incident. Moreover, the police case is of December 15, 2020.

It is contended on behalf of the petitioners that there is another police case in which the petitioners are on bail.

In view of the pendency of another police case and the materials in the case diary, need for immediate custodial interrogation of the petitioners cannot be overlooked.

In such circumstances, we are unable to grant anticipatory bail to the petitioners.

Accordingly, prayer for anticipatory bail of the petitioners is rejected and the application being CRM (A) 5099 of 2022 is dismissed.
