**Rajib Kumar Acharyya
Vs.
The State of West Bengal & Ors.**

Mr. Arka Bhattacharya
Mr. Banshi Badan Maity

... .. for the petitioner

Mr. Jahar Lal De
Mr. Supratim Dhar

... .. for the State

The main issue raised in this public interest petition is that the submersible water pump installed within the jurisdiction of Panskura Municipality is very old and in bad condition. Therefore, a new submersible pump is required to be installed so that the residents of the locality get adequate supply of water.

It has been pointed out that the petitioner has already filed the representation dated 21st October, 2022 before the respondent no.3 but the grievance raised by the petitioner has not been considered till now.

Learned counsel for the State does not dispute that the petitioner's grievance needs to be considered by the respondent no.3.

Hence, we dispose of this public interest petition directing the respondent no.3 to duly consider the grievance raised by the petitioner in the representation dated 21st October, 2022 as expeditiously as possible,

preferably within a period of two months from the date of receipt of a copy of this order.
