The post mortem report of the victim suggests that the victim committed suicide.

The petitioners are relatives of the person with whom, the deceased was in a relationship. There is hardly any material in the case diary implicating the petitioners.

In such circumstances, we grant anticipatory bail to the petitioners.

Accordingly, we direct that in the event of arrest the petitioners shall be released on bail upon furnishing a bond of Rs.10,000/- each, with two sureties of like amount each, to the satisfaction of the arresting officer and also be subject to the conditions as laid down under Section 438(2) of the Code of Criminal Procedure, 1973 and on further condition that the

petitioners shall meet the Investigating Officer once a fortnight till the conclusion of the investigation and on condition that the petitioners shall appear on every date before the jurisdictional Court on and from the date fixed for appearance of the accused and in default the jurisdictional Court will pass appropriate order to secure the presence of the petitioners in Court including cancelling the anticipatory bail granted without further reference to this Court.

This application for anticipatory bail is, thus, allowed.
