The Court: This is an application for enforcement of an award dated 7 June 2019.

It is submitted on behalf of the judgment-debtors that an appeal passed against an order in an application under Section 34 of Arbitration and Conciliation Act, 1996, is pending before the High Court at Jharkhand.

Accordingly, it is evident that the award dated 7 June 2019 has still not ripened for execution and is pre-mature.
