CORAM:

ORDER

11.07.2022

Order No.

10.

1. This matter is taken up through hybrid mode.
2. None appears for the petitioner either at the time of call or when the matter is taken up after being passed over.
3. The petitioner has not surrendered to custody despite expiry of the period of interim bail granted to him by this Court. Though NBW has been issued, the same is yet to be executed.
4. Considering the above facts, I find no reason to keep the bail application pending, which is therefore rejected.
5. The BLAPL is accordingly rejected.
