1. This matter is taken up through Hybrid Arrangement (Virtual /Physical Mode).

4. This is an application under Section 439 of the Criminal Procedure Code filed by the Petitioner to release him on regular bail in connection with Samal P.S. 5. It is submitted by the learned counsel for the Petitioner that the Petitioner is languishing in jail custody since 27.03.2022 and the Investigating Agency after completion of investigation, charge sheet has been submitted. It is further contended by the learned counsel for the Petitioner that there is long standing dispute persisting between the parties. It is also submitted by the learned counsel for the Petitioner that there is no direct evidence except statement of the informant to connect

the petitioner in the present crime. It is submitted by the learned counsel for the Petitioner that since the Petitioner is the inhabitant of Angul district, there is no chance of his absconding or fleeing from receiving justice. In the event of his release by this Court, the Petitioner shall appear before the trial court on each date of posting of the case and he is ready and willing to abide by the conditions that may be imposed by this Court.

6. Learned counsel for the State on the other hand opposes the prayer for bail of the Petitioners and submits that release of the Petitioner on bail at this stage would adversely affect the investigation of the case. Accordingly learned Additional Standing Counsel urges rejection of the application of the Petitioners.

7. Having heard learned counsel for the parties and considering the nature and gravity of the allegation made in the F.I.R. as well as the custodial detention of the Petitioner, this court is inclined to grant bail to the Petitioner and it is directed that let the Petitioner be released on bail in the aforesaid case on furnishing a bail bond of Rs.30,000/- (Rupees Thirty thousand) with one local solvent surety each for the like amount to the satisfaction of the learned court in seisin over the matter subject to the following terms and conditions
