Order No.

3. Mr. Mohapatra, learned counsel for the Petitioner submits that along with the provisional assessment, Opposite parties initiated a proceeding under Section 135 of the Act. Although objection has already filed by the Petitioner no order of final assessment has yet been passed. that the provisional assessment order has been confirmed and the Petitioner has been held liable to pay Rs.5,11,145/- in the final assessment order. As such, the Petitioner has a remedy of appeal under Section 127 of the Act.

5. In view of the above, the writ petition is disposed of with a direction that in the event Petitioner deposits a sum of Rs.2,00,000/- (rupees two lakhs only) before the authority within a period of two weeks hence, power supply to the premises of the Petitioner shall be restored complying with the formalities, which shall be subject to the result of the appeal, if any filed. The Petitioner is also at liberty to contest proceeding under Section 135 of the Act by filing her objection. The final assessment order shall also be communicated to the Petitioner within seven days.

6. In case Petitioner files appeal, the amount paid towards reconnection of power supply shall be set off from the pre-deposit required for filing of the appeal. Needless to mention, the Petitioner shall go on paying the current bills.
