**CORAM:
JUSTICE BISWANATH RATH**

**ORDER
21.09.2022**

Order No.

04

1. Going through the instruction memo, this Court finds there is some sort of technical difficulty. Even though there appears no dispute in challenge to the holding in annexure-1 way back in 2008, however for the petitioner having scope under the provision of section 15(b) of the Odisha Survey & Settlement Act, 1958, this Court finds no scope in entertaining the writ petition in the present form, which is dropped accordingly. Petitioner, if so advised, may avail the opportunity under the Odisha Survey & Settlement Act, 1958.

2. Taking into consideration that the petitioner was pursuing its remedy in this Court, Survey & Settlement application may be filed accompanying the limitation petition. This Court directs the competent authority to consider the limitation liberally and decide the matter on merit provided the proceeding is brought within a period of ten days hence.
