ORDER
01.12.2022

Order No.

I.A. No.2447 of 2022

02.

1. This is an application for modification of order dated 15th November, 2022.

2. Since the modification is intended to bring new facts to the existing order, allowing the modification would mean a review of the order which is not permissible. This Court, therefore, is not inclined to bring such facts against modification of order dated 15th November, 2022.

3. Accordingly, the I.A. is dismissed.
