**CORAM:
THE CHIEF JUSTICE
JUSTICE M. S. RAMAN**

**ORDER
23.11.2022**

Order No.

01. 1. It is now urged before this Court in this review petition by the Department that the Department wrongly termed the document as 'Draft Audit Report' whereas in fact it was the 'Final Audit Report'.
2. Having perused the impugned order under review, the Court finds that it was the Department's error and not an error in the order of this Court. The order was obviously passed in the peculiar facts as presented to this Court by the Department. Moreover, no prejudice has been caused to the Department since the directions in this Court's order give another chance to the Department. Consequently, the Court finds no ground made out for review of its order.
3. Accordingly, the review petition is dismissed.
