CORAM : SANDIPKUMAR C. MORE, J.

DATE : 12.10.2022

PER COURT :

Heard rival submissions. The respective applicants are seeking condonation of delay periods as mentioned in both these applications. The delay appears to be caused due to financial crisis of the applicants. The learned AGP strongly opposed the applications on the ground that delay is not properly explained.

2. However, considering the statutory right of the applicants, the respective delay periods mentioned in these applications stand condoned subject to condition that the applicants shall not claim any interest for the aforesaid delay periods.

3. The appeals be placed for admission after removal of office objections, if any.

4. The applications are accordingly disposed of.
