DATE : 17-03-2022

ORAL JUDGMENT:

1. The petitioner employee is before this court, being aggrieved by the conclusion of the Industrial Court in the judgment dated 13-03-2003 vide which his complaint (ULP) No. 1616 of 2019 has

been partly allowed and he has been granted benefits of dailywages and not permanency.

2. During the pendency of this petition, an order has been passed on 07-08-2015 on civil application No. 6913/2013. The communication dated 2/08/2013 addressed by the Deputy Director Social Forestry to the learned AGP, indicated that the proposal of the petitioner has been sent for approval to the competent authority for granting him the benefit of Converted Regular Temporary Establishment (CRTE). Said authorities were directed to take a decision within three months.

3. In view of the above, this petition is disposed off with a direction to the respondents that, if the proposal of the petitioner is still not cleared, the same shall be cleared on or before 30-06-2022, and the compliance report shall be placed

before this court on or before 15-07-2022, through the learned Registrar (Judicial) of this court.

4. It goes without saying that the petitioner is entitled to monetary benefits, incidental and consequential thereto. He already being on CRTE and after five years, on regular establishment, the impugned order of the Industrial Court directing that the petitioner should be continued as a daily wager, would not survive.

5. Rule is discharged.
