CORAM : MANGESH S. PATIL, J.

DATE : 08.04.2022

PER COURT :

This is a revision by the original defendant.

2. Learned advocate Mr. Palve submits that during pendency of this revision the respondents who are original plaintiffs have filed a praecipe before the trial court and have abandoned their suit on 17.02.2022. He also tenders across the bar a copy of the praecipe which apparently was exhibited as Exhibit-141 in the suit along with affidavits of all the respondents/their heirs exhibited at Nos.142 to 153. Those are taken on record and marked 'X' for the purpose of reference collectively. He submits that the revision may be disposed of having become infructuous.

3. In view of such statement the revision is disposed of.
