DATE : 24.08.2022

PER COURT :

Heard both the sides. Perused the affidavit-in-reply filed by the respondent. The petitioners were claiming compensation in respect of bollworm attack. The emphatic statement is made in the affidavit-in-reply that all the petitioners have been paid their dues. A statement of the bank along with the statements of the account of all the petitioners are annexed with the affidavit-in-reply which *prima facie* show that the petitioners have been paid the compensation.

2. It is also made clear in the affidavit-in-reply that even the other farmers are being paid the compensation.

3. Nothing survives in this petition and it is disposed of in view of the affidavit-in-reply.

4. Pending civil application is disposed of.
