**DATE : 28.02.2022**

**PER COURT :-**

This is an application of original claimant seeking for condonation of delay of 544 days caused in filing first appeal.

2. Opponent No.1 opposed the application.

3. The applicants are legal heirs of the deceased Motiram Ambhore, who died in vehicular accident dated 27.01.2012. The tribunal has assessed compensation to which the applicants are dissatisfied. Hence they have preferred appeal with this application. The applicant has set out reasons for delay in paragraph No.2 and 3 of the application. It is primly canvassed that after demise of Motiram Ambhore the applicants who are only survival female members are illiterate and had no source

to take further legal steps. Considering the nature of litigation and the reasons canvassed delay stands condoned.

4. Office to verify and register the appeal.
