...

CORAM : SANDIPKUMAR C. MORE, J.

DATE : 19.12.2022

PER COURT :

The appeal is already kept for dismissal order since the appellant despite last chance failed to argue the matter. Today also, nobody is there on behalf of the appellant. Thus, it appears that appellant is not interested to proceed with the appeal and therefore, the appeal stands dismissed for default.

2. The pending Civil Application does not survive and also stands disposed of.
