PER COURT :

. Heard. All these respective applicants are seeking condonation of delay periods mentioned in the applications which appear to be caused due to their poor financial condition.

2. The learned AGP as well as learned counsel for the respondent – Acquiring Body strongly opposed the applications on the ground that not only there is a delay but there is also delay in circulating the matters which appear to be filed in the year 2019. However, considering the statutory right of the applicants and the reasons mentioned in the applications, the respective delay periods

mentioned therein are hereby condoned subject to condition that the applicants shall not claim any interest for the period of aforesaid delay and also for the delay in taking late circulation. Accordingly, the applications are disposed of.

3. The appeals be placed for admission after removal of office objections, if any.

4. Copies of this order be placed along with the respective appeals.
