**CORAM : V. K. JADHAV AND
SANDIPKUMAR, C. MORE, JJ.
DATED : 24th JANUARY, 2022**

PER COURT:-

1. Heard.
2. We are not inclined to restore criminal application No. 1411 of 2021 which we had dismissed by order dated 23.7.2021 after considering the merits. It is needless to say that the observations made therein would have no bearing on the trial and it is for the trial court to consider the evidence independently and decide the case on its own merits.
3. Criminal application seeking restoration is accordingly rejected.
