2. The aforesaid crime is registered on the basis of the complaint dated 20 January 2022 lodged by Ramchandra Dilip Sonawane, who is working as a Junior Engineer with the Maharashtra State Electricity Distribution Company Ltd. (MSEDCL). On 20 January 2022, at about 1.25 p.m. the informant alongwith two other employees had gone to village Sarde where they found that the Applicant Mangesh More had obtained an illegal electricity connection by taping on the main supply line resulting into pilferage of the electricity. The allegation is that, the Applicant Lakhan Rama Bansode came there and abused the informant. In so far as the Applicant Mangesh More is concerned, he is alleged to have slapped and pushed the informant.

3. The learned counsel for the Applicants submitted that both the Applicants are suffering from illness. One of the Applicant is a heart patient and the other is having kidney disease.

4. The learned APP has submitted that the informant has sustained a simple injury.

5. I have heard the learned counsel for the parties. Perused record.

6. Normally, the Court would be slow in granting protection in such cases. However, a specific statement is made by the learned APP, on instructions from the Investigating Officer, who is present today, that the investigation is complete and the Investigating Officer does not require the custody of the Applicants and the Investigating Officer does not propose to arrest the Applicants on account of the fact that the investigation is practically over and on account of the medical condition of the Applicants. It is only on the basis of such a statement that this Court is granting indulgence.

7. In such circumstances, the following order is passed.
