

IN THE HIGH COURT OF JUDICATURE AT BOMBAY
CRIMINAL APPELLATE JURISDICTION

CRIMINAL WRIT PETITION NO. 2665 OF 2015

Baig Salim Abdul Razzak : Petitioner.
Versus
The State of Maharashtra : Respondent.

Through Jail – None for the Petitioner.
Smt. A S Pai, PP for the Respondent/State.

CORAM : S. S. SHINDE,
MILIND N. JADHAV, JJ
DATE : 10th June 2022

P.C.

1 The Petitioner was requested to reform in judicial system and to provide proper facilities to access status in respect of their pending proceedings. The grievance was raised in the year 2015.

2 It is informed that after filing this writ petition, the State Government has taken steps to have facilities to maintain records of each of the prisoner about their access status in respect of their pending proceedings.

3 Be that as it may, the relief sought for by the Petitioner is not only in the interest of himself but even in the interest of other inmates, we hope and expect that the State Government will update all the system including the facilities to access status in respect of the pending proceedings of the inmates. With the above observations, the Writ Petition stands disposed of.
