1. None for the Applicant. This Letters Patent Appeal has been dismissed for default twice before on 4th July 2008 and on 14th March 2011. It was restored each time. Then it was dismissed again on 27th November 2019.

2. The Interim Application seeks restoration and setting aside of the 27th November 2019 order of dismissal for default. The Interim Application is already delayed. It was filed only on 14th March 2020.

3. Apart from that we find that it has not yet been served on the Respondents.

4. This cannot be allowed to continue. Even today, none appears for the Applicant. Interim Application No. 3462 of 2022 is dismissed. No costs.
