on the file of Family Court, Pune. As such, according to him, non-applicant/husband who is appearing in these proceedings can very much appear in restitution of conjugal rights proceedings, if so ordered to be transferred to Pune Court.

4] Aforesaid contentions are not controverted, as non-applicant, though served, has chosen not to appear in the matter.

5] That being so, in my opinion, case for transfer is made out, as non-applicant is already attending three proceedings at Pune Court and in case, if transfer is not ordered, Applicant/wife may suffer hardship.

6] As such, Application stands allowed in terms of prayer clause (a) and HMP No.127 of 2020 pending on the file of Civil Judge, Senior Division, Shrirampur, Ahmednagar is directed to be transferred to the Family Court, Pune.

7] It is directed that all the four proceedings referred to above, be preferably posted on the very same date.

8] Application is disposed of.
