P.C. :

1. The grievance of the petitioner appears to be that a consent decree was passed. However, there is mistake in CTS/CS number. The same was corrected in the order dated 14/8/2018 and corrected the Consent Decree dated 29th January, 1976. The learned Counsel submitted that the Petitioner had moved the Office of Sub-Registrar for correction by making application (page 272) on 10th February, 2022. but no cognizance has been taken.

2 We have also heard the learned AGP. In case, the Petitioner has submitted the application (page 272) for correction i.e. decree and the

consent decree, the Sub-Registrar shall take further steps in accordance with law and take decision upon it preferably within 6 months from today. The Writ Petition is disposed of with no order as to costs.
