**CORAM : BHARATI DANGRE, J.
DATE : OCTOBER 06, 2022.**

P.C.:

1. On 07 July, 2022 the learned APP has made a statement on instructions of the Investigating Officer that he is not desirous of availing custody of the applicant. The applicants were directed to report to the Investigating Officer on the given dates.

The learned APP states that the applicants have accordingly reported to the police station. It is also informed that the specimen signatures of the applicants have been obtained.

2. Since the complaint filed by the complainant relates to the amount in respect of which a dispute was already filed before the Co-operative Court where a decree has been passed against him on 28 February, 2022 and thereafter recourse was taken to the present modality by filing complaint alleging that the signatures were forged, the custodial interrogation is not warranted, when the specimen signatures are already obtained.

3. In the wake of the above, the order dated 07 July, 2022 deserves to be made absolute subject to the stipulation that the applicants shall continue to render their cooperation to the Investigating Officer and report to him as and when directed.
