i. There is non compliance of Section 50 of the NDPS Act. The written notice ultimately issued by Investigating Officer does not indicates that the applicants in both the applications were informed that he has right to be searched in the presence of Gazetted Officer or nearest Magistrate.

ii. The Search in respect to C.R. No. 5 of 2019 in the case of applicant Ashok Bhanudas Pawar (Bail Application No. 2600 of 2021) was not conducted on the spot of interception of vehicle. The prosecution case is that the vehicle was stopped. There was recovery of Ganja. The accused alongwith vehicles were taken to the Customs Office and thus the search was conducted at different place. It was necessary for the Investigating Officer to conduct the search at the spot where the vehicle was allegedly intercepted.

iii. From the panchanama of seizure in respect to C.R. No. 2 of 2018 (Bail Application No. 355 of 2020), it is noticed that the seizure had resulted in guide leaves with fruit tops. However the descriptions of Articles received by the chemical analyser appears to be different. The CA report mentions that 25 grams dry green color vegetative material comprising flowring and fruiting tops,

leaves and seeds etc, stated to be 25 grams dry green leaves with flowering and and fruting tops were received.

iv. The applicant are not having any criminal antecedents.

v. There is discrepancy in the materials seized and sent to CA in connection with C.R. No. 5 of 2019. In the panchanama it was stated that green leaves, fruits were seized. The CA report refers to the articles received for analysis.

vi. Samples of 25 grams were collected which was dry leaves subsequently the weight was increase to 29 grams.

vii. The Investigating Officer had seized leaves, fruits, tops, leaves shoots and seeds etc. As a result of that the weight of seizure had increased. Only ganja was to be weighed and it could have been less than a commercial quantity.

viii. No sooner is the seizure is effected and the contraband forwarded to the officer in-charge of Police Station or the officer empowered, the officer concern is in law duty bound to approach the Magistrate for the purposes mentioned under Section 52-A of the NDPS Act including grant of permission to draw the respective samples in his presence. Each samples will be enlisted and correctness of the list of samples so drown certified by the Magistrate. The process of drawing of samples has to be in the

presence and under supervision of the Magistrate and the entire exercise has to be certified by him to be correct.

9. Learned Advocate for the applicants has relied upon following decisions:-

i. In the case of Hari Mahadu Valse Vs. The State of Maharashtra decided by this Court in Bail Application No.2299 of 2019 dated 29th July, 2021.

ii. In the case of Sanjay Mohan Garad Vs. The State of Maharashtra decided by this Court in Bail Application No.459 of 2021 dated 23rd November, 2021.

iii. In the case of Dhananjay Babaso Shinde Vs. The State of Maharashtra decided by this Court in Bail Application No.1069 of 2020 dated 17th November, 2021.

iv. In the case of Ravi Raju Mane and Ravan Puma Naik Vs. The State of Maharashtra decided by this Court in Bail Application No.2020 of 2017 dated 10th November, 2021.

v. In the case of Suresh Hetram Vs. The State of Maharashtra decided by this Court in Bail Application No.4430 of 2021 dated 3rd February, 2022.

vi. Union of India Vs. Mohanlal and Another (2016), 3 SCC 379.

10. Learned Advocate for the respondents submitted that the offence is of serious nature. The applicants in both in cases were found in possession of huge quantity of Ganja. The discrepancies pointed out by the Advocate for the applicant does not affect the prosecution case proposal safeguards were complied. The grounds urged by the applicants will have to be established during trial. Section 37 of the NDPS Act imposition restriction and grant of bail. In the order relied upon by the learned Advocate for the applicants. The Court have ignored rigours of Section 37 of the NDPS Act. Ganja was of commercial quantity. Hence applications may be rejected.

11. In both the cases, the accused were found in possession of Ganja. It was a commercial quantity. In C.R. No. 2 of 2018 the weight of recovered Ganja 33.250 KG's and in C.R. No. 5 of 2019 the weight of Ganja was approximately 52.300 kgs. Section 37 of the NDPS Act creates embargo for grant of bail. The discrepancy urged by the applicants will have to be considered during trial. In the complaint and in the panchanama it is stated that Section 50 was complied. In the case of State of Punjab Vs. Baldev Singh AIR 1999 SC 2378, it was held that where Section 50 of the NDPS Act is complied or not has to be determined by the Court on the basis

of evidence relied at the trial. Without giving an opportunity to the prosecution to establish at the trial that the provisions of Section 50 and particularly the safeguards provided were duly complied with. It would not be permissible to cut short a criminal trial.

12. On the basis of grounds urged by the applicants, it is not possible to disbelieve the prosecution case. Effect of Section 37 of NDPS Act cannot be ignored. All the grounds urged by applicants will have to be dealt with while recording evidence during trial. Hence, no case for grant of bail is made out.
