3. It is submitted that as the Applicants are old and illiterate persons, who do not have any knowledge of legal proceedings and legal steps to be taken on rejection of appeal, on seeking advice it was decided to file the appeal. However, because of time consumed in obtaining the legal opinion, delay has been caused and accordingly the present application is filed.

4. After going through the application and the reasons stated in the application and in the absence of any affidavit-in-reply opposing the present application or disputing the facts stated in the application, in my considered view the Applicants have shown sufficient cause for condoning the delay. Accordingly, I pass the following order:-

ORDER

- (i) The application for condonation of delay is allowed;
- (ii) The delay caused in filing Second Appeal is condoned.

The office is requested to register the Second Appeal and place the same before the Court for admission.
