CORAM : NITIN W. SAMBRE, J.

DATE: JULY 1, 2022.

P.C.:

1) This is an application seeking an order of restraint against Respondent-Plaintiff-Decree Holder and newly inducted Respondent no. 11 from creating any third party right, title or interest etc. Plaintiff owner of the suit property having received possession of Suit property based on his title has inducted Respondent no. 11 as tenant. Such act is pursuant to his title and possession over the Suit

property.

2) Once the Plaintiff and Respondent no. 11 are before this Court in the Revision, I hardly see any convincing reason which should prompt this Court to pass an order of injunction as prayed, particularly when, Applicant has already lost the litigation before both the Courts below including that of possession in execution of Decree.

3) In view of above, Civil Application stands dismissed.
