P.C.

This Petition is filed challenging the order dated 11 December 2019 which in turn refers to the communication dated 27 March 2019. The Writ Petition is filed on 3 December 2021. Therefore, obvious question would arise of delay in approaching this Court. Not only there is no explanation whatsoever in this petition, a positive statement is made that there is no delay and laches in filing this petition. We would have dismissed the petition on this count alone, however, learned counsel for the Petitioner prays that liberty may be granted to withdraw the Petition to file a fresh Petition explaining the

circumstances in which this delay occurred and there are no latches.

2. Out of indulgence, we grant leave to the Petitioner to withdraw the Petition with liberty to file a fresh Petition for the purpose stated above. The contentions of the Respondents are kept open.
