[THROUGH VIDEO CONFERENCE]

P.C. :

1. The IA seeks modification of order dated 7th March 2011 passed in the process of marking documents. The IA is misconceived since the order dated 7th March 2011 does not alter the documents marked in the orders dated 14th February 2008 and 15th February 2008.

2. In view thereof, I pass the following order :-

(i) Interim Application is dismissed. No costs.

(ii) Both sides are directed to depute a representative each,

who was present during the trial before the Commissioner and who is aware of the documents that have been tendered in evidence and those which were admitted in evidence and marked and those which remain to be marked.

- (iii) These representatives will assist the Associate to identify the documents to be marked.
