DATE : 1 February, 2022

PC.:

1. This is a petition filed under section 34 of the Arbitration and

Conciliation Act, 1996 (for short “the Act”) whereby an arbitral award dated 29 June, 2021 has been challenged. The primary ground as raised by the petitioner to assail the arbitral award, is on the unilateral appointment of the arbitral tribunal by the respondent. It is contended that such issue goes to the root of the matter as such appointment would be contrary to the well established principles of law as laid down in the decisions of the Supreme Court in **TRF Limited Versus Energo Engineering Project Limited**¹ and **Perkins Eastman Architects DPC & Anr. Versus HSCC (India) Limited**² and in the decision of this Court in **Meenu Arora & Ors. Versus Dewan Housing Finance Corporation & Ors.**³. Considering such contentions as advanced on behalf of the petitioner, learned counsel for the respondent has taken a fair stand. He would submit that by consent the impugned order can be set aside and the parties be referred to arbitration by appointing a substitute arbitrator.

2. In view of the fair stand as taken on behalf of the respondent, further adjudication of this petition is not called for, as the respondent has agreed that by consent, the impugned award can be set aside and an independent substitute arbitrator be appointed to adjudicate the

disputes and difference between the parties, which have arisen under the Loan Agreement dated 30 October, 2014 to the petition.
