Heard.

The present application is filed by the applicant-appellant for condonation of delay of 91 days in filing restoration application.

It appears that for non-removal of office objections, Registry has refused to register the First Appeal St. No.22519/2019 vide order dated 11.02.2020. In the month of March-2020, lock-down was declared and therefore appellant could not remove office objections. There is sufficient and justified reason stated for condonation of delay in the application, however, it can not be overlooked that there are lapses on the part of appellant for not taking any steps to remove office objections. Thus, application is allowed, subject to costs of Rs.1,000/- to be deposited in the

High Court Bar Library, Nagpur within a period of one week from today. The order dated 11.02.2020 passed by the Registrar is hereby set aside. The reasons stated in Misc. Civil Application are the same as given in application for condonation of delay. Hence, M.C.A. St. No.8225/2022 is also allowed. Registry is directed to register First Appeal St. No.22519/2019 on its original number.
