CORAM :- A.S.CHANDURKAR AND URMILA JOSHI-PHALKE, JJ.
DATE :- OCTOBER 21, 2022

Since the impugned order passed by the Scrutiny Committee indicates that the present applicant was heard while invalidating the caste claim of the non-applicant no.4 herein, the prayer made in this application is granted.

The civil application is disposed of.

Misc. Civil Application (Review) No.649 of 2022

Heard the learned counsel for the applicant and perused the grounds raised in the review application.

It is submitted that the document of 1927 that was referred to while setting aside the order of the Scrutiny Committee was of a person not related to the non-applicant no.4. Hence the said document could not have been taken into consideration.

For the reasons stated in the paragraph 5 of the judgment under review, it can be seen that on being satisfied that the Scrutiny Committee did not grant due weightage to that document, the said document was taken into consideration. We do not find that there is any error apparent on the face of record to invoke review jurisdiction. The Miscellaneous Civil Application is therefore rejected.
