When the matter was called on 31.03.2022, there was no representation for the petitioner. Even today, there is no representation for the petitioner.

2. The petitioner is aggrieved against his non-selection in the recruitment process for the post of Conductor held on 07.03.2013. Nine years have passed since the recruitment had taken place and obviously, the post would have been filled up by now. At this juncture, consideration of the petitioner's request for cancelling the recruitment made and consider him for appointment to the post of Conductor, would not be appropriate.

3. Accordingly, the Writ Petition stands dismissed. No costs.
