... Respondents

Prayer: Writ Petition filed under Article 226 of the Constitution of India, to issue a Writ of Mandamus directing the 3rd respondent to consider the representation dated 31.01.2022 made by the petitioner in accordance with law including by affording an opportunity of hearing to the petitioner and further directing the respondents to look into issue death certificate of Petitioner's

maternal uncle Muthumalai with his actual name Muthumalai and the petitioner.

For Petitioner : Mr.S.Muthaiah

ORDER

The petitioner seeks disposal of his representation that has been filed in 31.01.2022 which, in my view is pre-mature as there is nothing on record to indicate that the petitioner has pursued the same before the authorities or even allowed the authorities a reasonable time to process the request, cause enquiry and pass orders.

2. Hence, the mandamus sought for cannot be issued and this Writ Petition stands dismissed.
